

Master Plan Implementation: Challenges and Lessons Learnt

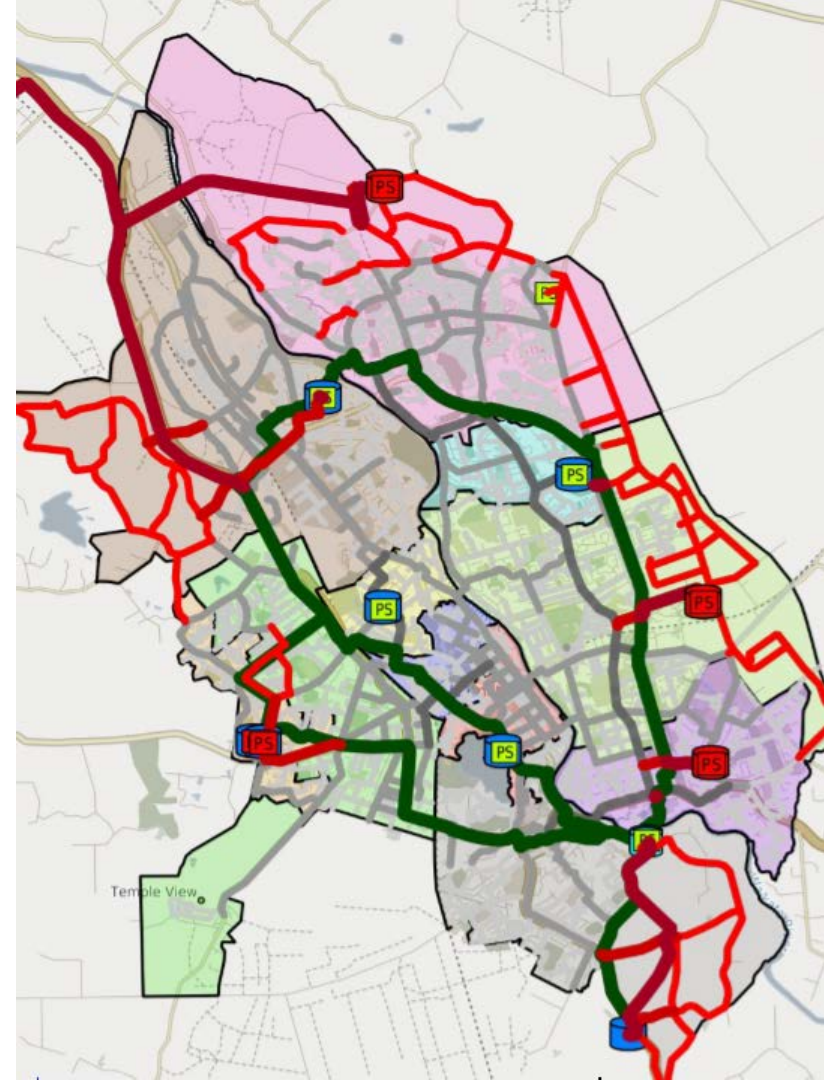

Water New Zealand Conference

The Journey with Hamilton City Council

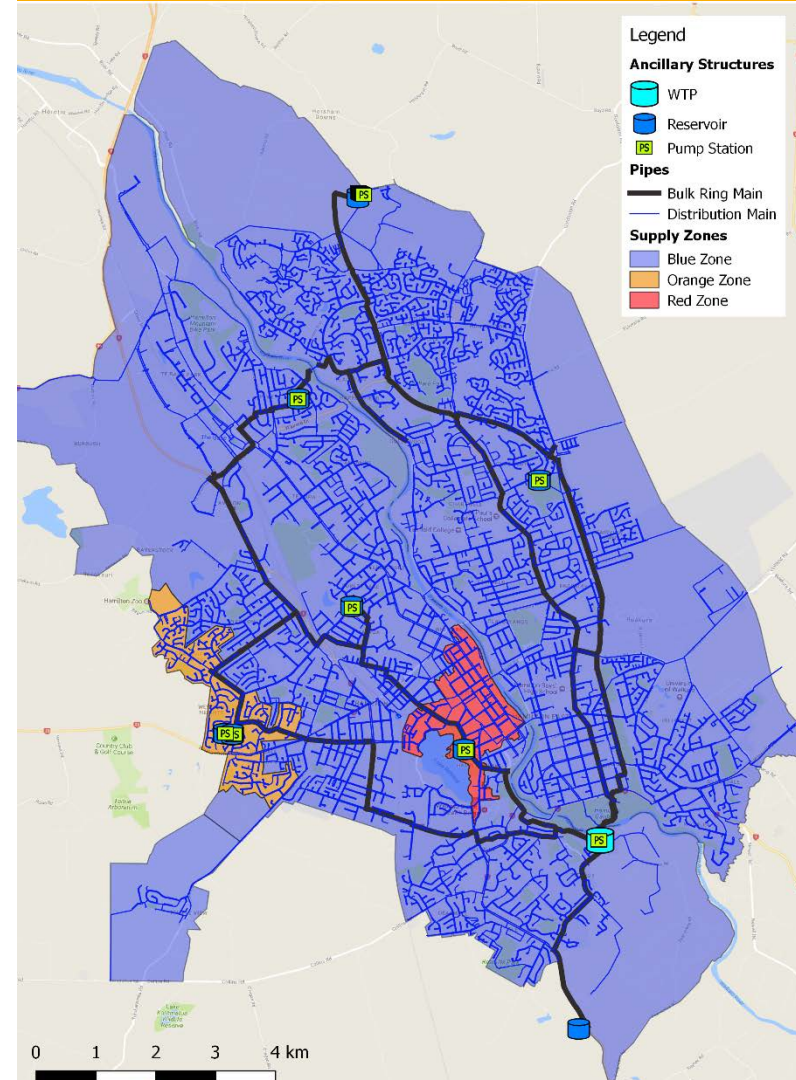

The Journey with HCC

- Why a Master Plan
 - Original system operation
 - Significant growth predicted
- How the Master Plan was developed
 - Goals and approach
 - How the model and Master Plan have evolved

Implementation Plan: Challenges and Lessons Learnt

Implementing the Master Plan

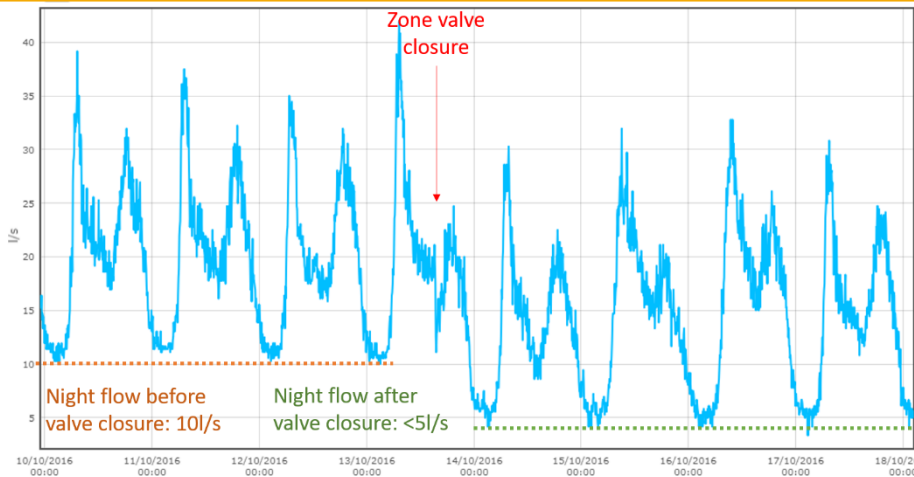

- **Implementing the Master Plan**
 - A fundamental paradigm shift
 - A long term commitment
 - A live/dynamic system
- Operational challenges
- Design challenges
- An ambitious program
- Some solutions
